333. THE COUNCIL REPORT THAT THE POWDER WORKS
REMAIN AT PERRIN'S.

*Extract from General Letter from Bengal to the Court. Fort William,
February 3, 1760. Bengal Letters received, Vol. IV.*

6. We have before advised you of our intention of removing the Powder Works from Perrin's Garden to a spot belonging to Petumber Seat and had accordingly given the necessary Orders for this being carried into execution, But Mr. Martin Costelly who has for some time past been employ'd in making the Powder having the 28th Ultimo laid before us a list of several new buildings which would be necessary for carrying on this business by which it appears that changing the spot would be attended with immense expence, and we finding likewise from the report of the Engineer and Officer of Artillery enter'd after that days Consultation that the Powder does not turn out according to our expectations, We came to a resolution to put an immediate stop to the new buildings and directed Mr. Costelly to continue the making the Powder at Perrin's Gardens. And at the same time determined to use every precaution in our power for the security of it there.
