

Officer Commanding,
No. 131 Field Ambulance.

The Prince of Wales will visit your unit at 10.30 hours tomorrow,
7th. inst.

H.R.H. will be travelling in the G.O.C's car.

Troops will not be paraded but should be near their billets
or huts (inside them if wet) in clean fatigue dress.

As many Officers and Warrant Officers as possible should be
presented to H.R.H. by the O.C. Unit as he comes to them and any men
wearing decorations or wound stripes should be pointed out to him.

This visit is intended to be informal and there should be no
ordered cheering but troops should be encouraged to let loose a cheer as
H.R.H. steps into the car on his departure.
