

# **Embarkation List for the Military Ship “Regent” Chatham, 4 February 1816**

**The Embarkation List (lds 1786483) for the Regent includes about 360 names spread over 9 pages of the record book. The attached images show the header for the records. The specific data for John A Burton as follows:**

**Name: John A Burton**

**Former Occupation: Labourer**

**Where born: St Pauls, Dublin**

**Date of Attestation: 19 Jan<sup>y</sup> 1816**

**Age: 20**

**We were also hoping to find our man on the Chatham Depot List which is meant to include all the artillery recruits who passed through the depot. The information here is a bit more comprehensive:**

**Ship’s Name; Recruit’s Name; Age; Size (=height in ft & ins); Visage; Hair; Eyes; Comp; Parish; County; Country; By Whom Enlisted; Recruited Date; Paid Date; Attestation Date; Length of Service Contract; Occupation; Embarked; Destined; Remarks. In several cases the “Ship’s Name column was marked “Rejected”.**

**Sadly we could not find John Adolphus Burton on this list. One can only surmise that the short period of time between attestation in Dublin on 19 Jan and Boarding in Chatham on 4 February did not leave a window for this process!**
